Supervisors Approve Pine Cone Festival's Use of a County Parking Lot in Twin Peaks

On Tuesday, the Board of Supervisors approved a one-day use permit to the Mountain Rim Fire Safe Council (MRFSC) for a portion of a County-owned parking lot located in Twin Peaks for the annual Pine Cone Festival. The permit will provide patron parking for the festival on October 20th, 2007.

"I am pleased that the County was able to assist the MRFSC in providing available parking for the annual Pine Cone Festival," said Third District Supervisor Dennis Hansberger.

MRFSC will provide personnel to serve as parking attendants and will clear and clean the area of trash and debris afterwards. There will be no fee charged for the use of the parking lot.
